My name is Megan Cara Fieldhouse, and I am standing for election as Student President. I am passionate about representing our student body, making sure your voices are heard, and helping create a school environment where everyone feels included, respected, and supported.

### ★ My Experience

I have been fortunate to take on several important roles already, which have prepared me for this position:

- Student Ambassador – welcoming new students and visitors has taught me leadership, responsibility, and how to make others feel comfortable and valued.
- Student Council Member – I have listened to students' ideas, discussed changes, and worked with others to find solutions that benefit everyone.
- Student Panel Member – I have had the chance to give honest feedback directly to staff, showing that I can speak up for others with confidence and fairness.
- Student Speaker – presenting in front of groups has built my confidence and taught me how to communicate clearly on behalf of others.

These experiences mean I am already used to listening, representing, and working hard to make improvements — the exact skills needed in a Student President.

### 💡 My Qualities

I believe that being a good leader is not just about speaking — it's about listening, understanding, and working with others. My key qualities are:

- Good Listener – I will always take time to hear your ideas and concerns.
- Approachable and Friendly – you can come to me with anything, big or small.
- Organised and Reliable – I keep my promises and follow through on commitments.
- Team Player – I enjoy working with others and believe we achieve more together.
- Confident Communicator – I am not afraid to speak up and make sure student voices are heard.

### 📌 What I Will Do if Elected

If I am elected as Student President, I will:

- Give every student a voice – through regular opportunities to share feedback, suggestions, and concerns.
- Work closely with teachers and staff to make sure student opinions are acted upon.
- Promote fairness and inclusion – making sure every student feels valued, respected, and part of our school community.
- Encourage more events and activities that bring people together, celebrate achievements, and build school spirit.
- Support wellbeing – making sure students feel safe, supported, and happy at school.
- Be approachable and available – I want every student to know they can come to me with an idea or problem, and I will do my best to help.

### 🤝 What I Stand For

I stand for fairness, inclusion, and respect. I believe every student should feel they belong and that their ideas matter. I want to make sure that our school is not just a place to learn, but a place where we can grow, achieve, and enjoy being part of a strong and supportive community.

### ✅ Why You Should Vote for Me

I have the experience, qualities, and passion to take on this role. As a Student Ambassador, Council Member, Panel Member, and Student Speaker, I have already shown leadership and responsibility. I am ready to use those skills to represent you as Student President.

By voting for me, you are voting for someone who will listen to you, speak up for you, and work hard for you. I will always put students first and make sure your voices are not only heard but respected and acted upon.

Together, we can make our school an even better place.

I promise to make more changes to the college with your recommendation to make it a better amiable environment to come and learn where every day is different and new like your **STYLISH OUFIT**.
